**Trioplast Refuse Sacks -
Swedish Standard since 1965.**

TRIO Refuse Sacks

The new Compact Size Sacks - the future waste bag!
 Minimized thickness and a new roll width of 250 mm are the next step in development to customize to our consumers wish.

The new size of packaging is optimized to EU-pallet standards with the possibility of double-loading with the benefit of lower transportation costs.

- Thinner material
- Smart plastic
- Compact rollsize
- EU-pallet optimized
- Double loading possibility

Thinner. Better. Trioplast Compact Size!

It's easier to find the right refuse bag for your need by looking at the picture on the reel label.
